THE ARTICLES FOR THIS MONTH

PRESIDENT'S CORNER

KD5ZHI

I hope everyone has been having a good summer. There has not been much activity with the club over the last month and therefore I have very little to put in this month's article. We should see our race schedule pick up this next month and other club activities such as the builders group will be starting up again. I hope to see you at the meeting this Saturday.

FIELD DAY

Field day this year was held June 28 and 29 at the clubhouse. A reasonable number of club members met starting at 11:00 AM to checkout the antennas and gear to make sure it is all working. The station was put on the air at 12:00. There was a problem with the generator, so regular power was used.

The radio room was running voice and CW. There was a PSK station set up to demonstrate that mode. A satellite demonstration was held in the afternoon.

This year Field Day was treated more like a social event and not so much as a contest although contest contacts were made throughout the Field Day period. There was lots of visiting and learning opportunities.

AUGUST PROGRAM

KB5TPV

One of our club's newest members, Bob Wien (KG6RJW) will give us a presentation on AM band DXing at the August 2nd 2008 meeting. Please come and enjoy his interesting presentation.

CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson in Hacienda Heights. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a gps, take the Porter exit on US 70. It is about 5 miles from the I 25 interchange, near the firehouse. Almost immediately south of the south frontage road on the south side of US 70, turn left toward the mountains until you come to Wilt. Turn right. There is a jog in the road, but at 0.35 miles you should come to Jefferson. If you can't see the tower and beam, you shouldn't be driving. The treasurer would be delighted to receive your contribution for landscaping and furnishing.

The newsletter is always looking for articles and notes of interest to the members of the Mesilla Valley Radio Club. Please send them to Alex. F. Burr, K5XY, Editor, MVRC Local Oscillator, 695 Stone Canyon Drive, Las Cruces, NM 88011. Small personal ads from members will also be published. It would be helpful if submissions would be made in a machine readable form. Windows readable disks are welcome. Files can also be sent to the Internet address k5xy@arrl.net. The club maintains a web site at <http://www.zianet.com/mvrc>.
